LATENT FROM LAKELAND.
Lauretta has several beaux,
And each, in his turn, did propose;
Her mother then said,
"Which one will you wed?"
She answered: "The Lord only neau!"

Owing to the absence of the Rev. R. E. Moss, who has been given a vacation, there will be no preaching tomorrow morning at the Christian Church.

The friends of Mrs. Jacob Miller of East Fourth street regret to learn of her critical condition, the result of a stroke of paralysis on Thursday.

Likely that umbrella performer at Olivet would claim she was pointing a moral or adorning a tale, as this would come under the intent of a Campmeeting.

The local option election in Greenup resulted in a victory for the license people by a vote of 91 to 60. Two years ago the town went "dry" by a vote of 87 to 82.

Shannon is experiencing a boom in the building line. Several fine buildings are in process of construction, among them a store room 40x50 feet for Prather Bros.

Maybe the friends of Thacker want to burn the Flemingsburg Jail because it wasn't strong enough to resist the onset of the crowd that took him out and hung him.

The complaint against clergies is that they don't perform all they advertise, but visitors to the Olivet Campmeeting, it seems, gave a performance that was not even stipulated.

Mrs. J. H. Tucker, a daughter of Mr. Dan Scott of Manchester, died some days since at her home near Lexington. Of four children, one son, Elmer, resides in Lewis county.

Mrs. Mollie Allen of South Fork, Ky., says she has prevented attacks of cholera morbus by taking Chamberlain's Stomach and Liver Tablets when she felt an attack coming on. Such attacks are usually caused by indigestion, and these Tablets are just what is needed to cleanse the stomach and ward off the approaching attack. Attacks of bilious colic may be prevented in the same way. For sale by J. Jas. Wood & Son, Maysville.

Students of the Maysville High School who failed to pass on final examination in June will be given an entrance examination the first day of school, September 7th.

H. W. Reese was appointed Administrator of John Collins, deceased, with J. A. Collins surety. Henry Reese, C. C. Arthur and Edward Henderson were appointed appraisers.

Mr. and Mrs. W. E. Worick entertained last night at their beautiful country home in honor of Miss Florence Wadsworth of this city. Over fifty guests were present. It was a beautiful and charming affair, such as only the fair hostess is capable of giving.

The Chesapeake and Ohio Railroad is adding very largely to its equipment and in a few months will be able to handle much more of the immense amount of coal being mined along its line than is now. Seven-five engines of the G-7 class will be received between now and the first of November, and one thousand freight coal cars have been ordered and will be put in commission.

There seems to be a little friction in the affairs of our local military. It appears that one of the subordinate officers, on his own volition and without consulting Captain Watson, wrote to the Adjutant-General requesting that the Company remain here until after the 19th of August, in order that it might participate in the parade on the opening day of the Elks Fair.

His action, however, was a breach of military etiquette and discipline, inasmuch as he was arrogating authority that belonged to his superior officer, Captain Watson. The muttering on the inside circle is that the officer has "put his foot in it."

Mrs. MILLIE KNOTT.

Mrs. Millie Knott died this morning at 6:20 o'clock at the residence of her son-in-law, Mr. R. M. Wallingford of the Sixth Ward.

Mrs. Knott was 81 years old in December. She leaves three daughters and one son.

The funeral will take place Monday afternoon at 2 o'clock from the residence. Services by Rev. R. E. Moss.

"UNFORTUNATE AFFAIR."

Public Ledger.

Mr. Editor: Please correct the "infamous" lie Mrs. People & Mrs. Barnes was not on Camp Green when the occurrence took place. Both women stated to me that no strike was attempted. However, the strike occurred. No umbrella was in the hand of either. Both women came to Camp Meeting that night. We are having a good meeting. Respectfully,
W. A. PENN.

Potent Pill Pleasure.

The pills that are potent in their action and pleasant in effect are Dr. Williams' Little Early Risers.

W. S. Philpot of Albany, Ga., says: "During a bilious attack I took one. Small as it was it did me more good than calomel, blue mass or any other pills I ever took, and at the same time it affected me pleasantly. Little Early Risers are certainly an ideal pill." Sold by J. Jas. Wood & Son.

Colonel John Paul Jones, whose death at Ashland was briefly noted a day or so ago, was the father-in-law of Mr. James Poage of Mayslick. Colonel Jones was a native of Uniontown, Pa., born September 30th, 1823.

The Union Church service will be held tomorrow evening at the First Presbyterian Church, the Rev. Dr. Charles F. Evans of the First M. E. Church, South, delivering the discourse.

Never compare prices without comparing quality; you will find more difference in quality than you will in price. See our monuments and markers before buying elsewhere.

MURRAY & THOMAS.

A GREAT FEATURE.

Nobody should fail to see the great head end collision at the Lexington Elks Fair, Wednesday, August 12th. DeBaugh's famous 20th Century Band is to play. Running and trotting races will be held each afternoon and any number of fine features are announced. There will be plenty to amuse the children. The dates of the Fair this year are August 10th to 15th, inclusive. One fare the round trip has been granted on all railroads.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free.

A hundred carloads of fruit a day, or 400,000 pounds, are now going East from Sacramento. Up to last Monday the number of cars sent East to all points beyond Ogden was 1,717. They contained 41,208,000 pounds of fruit.

The new Belgian military system, established on the basis of voluntary conscription, has already proved a failure. Notwithstanding the active efforts of the enlistment committees, but few volunteers have come forward during the last year.

In the presence of Governor Terrell, who had come to Rome, Ga., to inspect the state troops in camp, Colonel V. T. Sanford and Colonel M. B. NERVOUS HEADACHE BREEDS INSANITY.

Many a person's whole pleasure in life is ruined by the fear of nervous headaches. Any little excitement, no matter what, business or social brings them on. The feet and hands grow cold, the head is hot, the eyes puff, the temples throb, and only in the quiet of a darkened room relief obtained. This condition must be checked or it means complete mental ruin. To those people Dr. A. W. Chase's Nerve Pills come as a blessing. They do not stop, they cure the headaches. They do not blanket, they build up. They put the nervous system in a strong, vigorous, sturdy condition—a condition that gives one resistive power and enables them to again enjoy life's pleasures.

Mrs. Minnie Aikman of No. 218 Lee street, Maysville, Ky., says:

"I have been bothered for a long time with pains in the region of my heart and with racking nervous headaches. I was advised to try Dr. A. W. Chase's Nerve Pills and I got a box at Chenoweth's Drugstore and now I am happy to say that the heart pains and headaches are completely cured. I cannot speak too highly of these pills as they are an excellent medicine in every particular."

Paris Green—That Kills

Many imagine that all Paris Green is of equal potency. This is not the case. Analysis of samples from various makers shows that some have more than twice the strength of others. You have perhaps observed evidence of this in the failure of an application of Paris Green to your tobacco plants to rid them of worms as it should.

We guarantee the strength and effectiveness of the Paris Green we sell. The manufacturers have a reputation for the high and uniform excellence of their product.

There's Economy in Using This Paris Green; it Goes Farther and Always Does the Work.

You Never Know the Moment When this Information May Prove of Infinite Value.

It is worth considerable to any citizen of Maysville to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itching of the skin—for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

Mr. J. C. Gabby of 925 East Second street says:

"For many years I suffered severely from itching hemorrhoids. I bought every remedy I heard of, but do what I might the trouble grew worse instead of better. It was particularly aggravating after I retired and I lost much sleep because of the intense itching. I had the good fortune to learn of Doan's Ointment, and I bought a box at J. Jas. Wood & Son's Drugstore. The wonderful relief I obtained from its use was almost beyond belief. I soon felt that I was cured. I continued the treatment for a time, however, to make assurance doubly sure."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

"As Ye Sow, So Shall Ye Reap!"

The Bible so states, and the Bible is truth. Some sow wild oats and reap the whirlwind; others sow good deeds and reap contentment; but nearly every one sows wheat. In Mason and adjoining counties most every wheat sower reaps contentment, because they sow wheat with a Richmond Champion Patent Double Disc Drill. Fact. If doubtful send for our testimonial book. There are over 530 farmers in this section using Richmond Champion Drills. We would like for you to see what they say. That little disc does the business. Each feed run has two discs and the wheat is delivered between them. These two discs hold all the dirt out until the wheat reaches the bottom of the furrow and then covers it from both sides. The rains beat the dirt to the wheat from both sides. The wheat is fed from both sides in growing. PROVIDENCE HELPS THOSE WHO HELP THEMSELVES. Do your part by seeding as common sense teaches you is best and leave the results to Providence. Look at a CHAMPION DRILL and see if it is a common sense way of seeding.

WE ARE FISHING

For your wagon trade. You will want a new wagon to haul off that wheat and house that tobacco, and we earnestly ask you to look at the wagon made by Mr. Fish. We sell the only farm wagon made by men named Fish, and are sincere in saying to you that we honestly believe that the genuine Fish Bros.' Farm Wagon is the very best one made. FISH BROS. NEVER FISH FOR SUCKERS, but they leave unpainted the underneath side of all axles, bounds and coupling poles so that you may see what kind of wood you are buying. If it is a good thing it is on a Fish Bros.' Wagon. Their long experience has added many beneficial patents until today there are more exclusive good things upon Fish Bros.' Wagons than upon all others combined. We earnestly ask you to look at a Fish Bros.' Wagon.

Ruggles Campmeeting.

RUGGLES CAMPGROUNDS, July 30th.
Special to Public Ledger.

A refreshing breeze, which finally resulted in quite a windstorm, came upon us last night and this brought on a copious rain, and it rained a good part of the night, much to the gratification of the farmers hereabouts as well as the people on the campground.

After the sunrise prayer service came the Memorial service always held on the second Thursday of these meetings each year and are much appreciated and always well attended. The meeting today was very impressive because of the memory of the original owner of these grounds, William Ruggles, who died in May of this year. Much was said of the life of this good man who died full of faith, ripe for the Kingdom of God. Brothers Harrop and Lane also spoke of those who had died in Mayville and who were formerly attendants on these grounds. They were Mrs. Kate Martin and George I. Beasley.

Miss Anna Gallimore held the children's services at 1:30 p. m., when she had the largest congregation of both children and adults she has had since the meetings began. This good woman is entirely given up to the work of the Lord and her work and experience in the wilds of India are interesting to listen to. Miss Gallimore is aiming at building a Church in India and is about to accomplish the desire of her heart. She took up a collection today for that object when some \$25 or more was raised, partly through the efforts of the little children.

I have not yet spoken of the Mother's Meetings. These are held every day at 2 o'clock with an average attendance of twenty mothers. I am told there were twenty-seven present today and they speak of them as sustaining. Our good old sister Jane Morris of Mayville is the leader of these Mother's Meetings and though now feeble and weak from age and infirmity yet she is still found at her post ever ready to do and to dare for her loving Master, Jesus. Sister Morris is one of the oldest attendants on the grounds and is beloved by all.

Another large congregation greeted Dr. Dunham at the night service when he preached from Mark viii, 36, 37: "For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Or what shall he give in exchange for his soul?" It was a most impressive discourse.

Several more Preachers have just arrived, among them Rev. Isaiah Cline of Greenup and Rev. Verity of Manchester, O. Our Mayville Pastor, Rev. J. S. Young, is among the most earnest workers. Both he and his devoted Christian wife are greatly appreciated both by the members of his Church at home, and all the people on these campgrounds. Many of them remember him twelve years ago when he was on these grounds and rendered valuable service, as he was then the leader of the children's service, and these children, now grown up, love him dearly today. Many count their conversion from the time of his labors with us then.

Dr. Dunham, the Evangelist, will preach on Sunday morning at 10:30 o'clock, and we hope to see a large delegation of our Mayville people to hear this earnest, consecrated man of God.

We look for the largest congregation of people ever on these grounds. The rain has put everything in fine condition; there will be no dust on the pikes and the grounds are beautiful. Everything abundant. M. J. W.

Not Over-Wise.
There is an old allegorical picture of a girl shared at a grasshopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by J. Jas. Wood & Son, Druggists.

River News

The gunge reads 7.2 at this point and falling.

The Bonanza will be up tonight for Pomeroy.

Yesterday's rain was general over the entire Ohio Valley.

The Henry M. Stanley from Charleston will pass down tomorrow.

Negro roustabouts at Evansville demand thirty-five cents an hour and board.

The Bonz is on the Ways at Manchester. She was originally built by Captain Thomas Fawcett.

The Allegheny and Monongahela rivers are still falling slowly and packet navigation has been suspended.

The Jim Wood is at Madison raising some coal which was sunk. She will be assisted by an outfit from Louisville.

Captain Lew McLaughlin of the Bonanza is the youngest steamboat captain that leaves Cincinnati. He was a long time a clerk on the White Collar Line boats.

A Negro deckhand fell into the river off the Keystone State at Wheeling, with a sack of wheat upon his shoulder. He held on to the wheat and swam ashore with it.

The steamer Virginia of the Cincinnati and Pittsburgh Packet Company's Line was pulled out on the Queen City Marine Ways Thursday for repairs and a general overhauling. Captain Ellison, Superintendent of the line, states that his company has spent in the past ten years no less than \$125,000 in Cincinnati for repairs on the different boats of the company.

The towboat Valiant will have a new hull built under her at the Elizabeth Ways. The Valiant was originally the old Joe Nixon, and later became the property of the Walton Company after lying sunk at the Pittsburgh wharf for some time. After being raised and repaired her name was changed to Valiant. The Valiant is now the property of the combine.

The Pittsburgh and Cincinnati packet, Queen City, is still fast on the bar at Logstown, where she ran aground Wednesday afternoon. The Florence Bell, which tried to pull the big packet off, is now in as serious predicament as the boat she tried to aid. The water is falling between Logstown and Davis Island Dam, and it is not likely she will reach the Pittsburgh harbor until a rise comes.

Lieutenant Commander A. P. Osborn of the United States Navy, Inspector of the Fourteenth Lighthouse District, has sent out the following notice to masters and pilots: "Craig Bar No. 1, which has been shown as a flat light, will from July 30th be shown from a post on the Kentucky shore, just opposite its old position. This change is made on account of the frequency with which this light has been carried away by passing steamers."

CAUTION!
This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its popularity all these years, you will be thankful that we called your attention to Hockley's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectation and coughing during the nights and mornings, there is nothing like German Syrup. The 26c size has just been introduced this year. Regular size 75 cents. At Henry W. Ray's, next door to Postoffice.

ONE LUNG

May be gone and yet the remaining lung will be amply sufficient to sustain a vigorous vitality. As a general thing few people make more use of both lungs than is equivalent to a healthy use of one lung.

These facts are all in the favor of the man or woman with weak lungs, even when disease has a strong grip on them.

Many a person living in health to-day has the lungs marked by the healed scars of disease.

Dr. Pierce's Golden Medical Discovery makes weak lungs strong. It cures obstinate, disordered coughs, bronchitis, bleeding lungs and other conditions, which, if neglected or unskillfully treated, find a fatal termination in consumption.

"I had been troubled with lung disease and pleurisy for a number of years and the trouble had almost become chronic," writes A. S. Ham, of Howe, Ia. "I had several kinds of medicine from different physicians without much benefit. At last wrote to Dr. R. V. Pierce and got his advice, and began using his 'Golden Medical Discovery.' I have used twenty-five bottles. When I commenced taking it I had no appetite, my system was completely run-down, had no ambition to do anything. Now I feel better than I did before I got sick. Have a good appetite and am able to do my work. I sincerely recommend Dr. Pierce's Golden Medical Discovery to all who are afflicted as I was."

Those who suffer from chronic diseases are invited to consult Dr. Pierce, by letter, free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets assist the action of the "Discovery."

GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

TWO SIZES 50c and \$1.00

Chicago Business Man Cured
Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago. June 11, 1902.

Cured His Wife
E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes: "My wife has been very bad with kidney trouble and tried several doctors without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

One Bottle Cured Him
A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."

Save the Children.

Ninety-nine of every one hundred diseases that children have are due to disorders of the stomach, and these disorders are all caused by indigestion. Kodol Dyspepsia Cure is just as good for children as it is for adults. Children thrive on it. It keeps their little stomachs sweet and encourages their growth and development. Mrs. Henry Carter, 705 Central street, Nashville, Tenn., says: "My little boy is now 3 years old, and has been suffering from indigestion ever since he was born. I have had the best doctors in Nashville, but failed to do him any good. After using one bottle of Kodol he is a well baby. I recommend it to all sufferers." Kodol digests what you eat and makes the stomach sweet. Sold by J. Jas. Wood & Son.
